

ISTRUZIONI MONTAGGIO KIT 804
ASSEMBLY INSTRUCTIONS KIT 804

Effettuare tutte le operazioni indicate con bidone capovolto (ruote rivolte verso l'alto)
Perform all the operations with the waste bin placed upside down (wheels facing up)

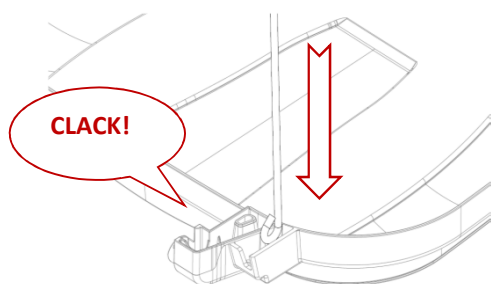

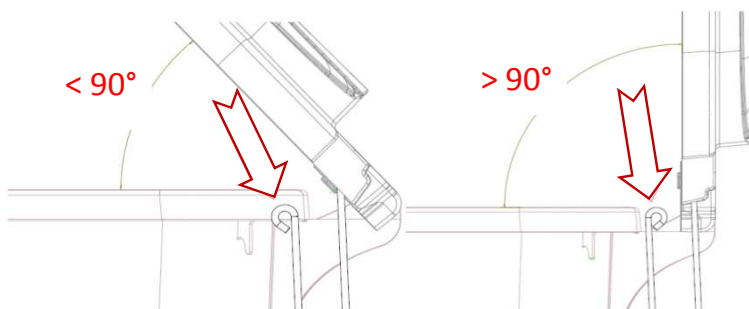

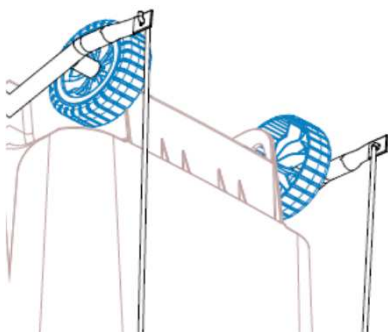

1 - Agganciare il gruppo ruote ed assale in posizione come da immagine
1 - Hang the wheels and the axle in position as shown in the picture

2 - Inserire il pedale sui perni delle ruote
2 - Insert the foot pedal into the wheel axles

3 - Inserire le aste nelle sedi del pedale (fori)
3 - Insert the rods into the pedal seats (holes)

Attenzione : l'orientamento dell'occhiello delle aste genera due tipi di apertura del coperchio differenti
Be carefull : the orientation of the loops generates two different types of opening on the lid

4 - Agganciare gli occhielli delle aste nelle sedi sul coperchio (spingere con forza fino a quando non si sente "CLACK!")
4 - Hook the loops of the rods in the cover housings (push hard until you hear "CLACK!")
